PART A - Civil Works								
Technotes Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
A100	**Roads**							
A100.01	Asphalt Pavement for Secondary Arterial Road							*SD 290A*
A100.02	Asphalt Pavement for Collector Road							*SD 290B*
A100.03	Asphalt Pavement for Local Road							*SD 290C*
A100.04	Concrete Right of Way							*SD 292 Concrete right of ways*
A100.05	Bluestone Pitcher Right of Way							
A100.06	Smooth Bluestone Pitcher Right of Way (accessible)							
A101	**Reinstatement**							
A101.01	Reinstatement of Local Roads							
A101.02	Reinstatement of Deep Strength Roads							
A101.03	Reinstatement of Trenches to Vehicle Crossings in Reinforced Concrete Type 2							
A110	**Surface Treatments**							
A110.01	Concrete Footpath							*SD 220 Concrete footpath*
A110.02	Asphalt Footpath							*SD 221 Asphalt footpath*
A110.03	Concrete Shared Bicycle Path							*SD 222 Concrete shared path*
A110.04	Concrete Path Open Space Areas							
A110.05	Granitic Sand Pathway							
A110.06	Blue stone Footpath							
A110.07	Granite Cobble Setts Footpath							
A110.08	Linear Pattern Concrete Footpath							*Refer to SD 220 Concrete footpath*
A110.09	Concrete Pavers Footpath							
A110.10	Hexagon Pavers Footpath							
A120	**Concrete Kerb and Channel**							
A120.01	Concrete Kerb and Channel							*SD 201 Concrete kerb and channel*
A120.02	Concrete Semi Mountable Kerb and Channel							*SD 203 Kerb and channel (SM2)*
A120.03	Concrete Modified Semi Mountable Kerb and Channel							*SD 202 Kerb and channel (SM2M)*
A120.04	Concrete Fully Mountable Kerb and Channel							*SD 204 Kerb and channel (M)*
A120.05	Concrete Kerb and Channel Lay Back							*SD 209 Concrete kerb and channel layback*
A120.06	Concrete Dish Channel							*SD 205 Dish channel*
A120.07	Concrete Barrier Kerb							*SD 210 Concrete barrier kerb*
A120.08	Concrete Semi Mountable Kerb							*SD 211 Semi-mountable kerb*
A120.09	Concrete Fully Mountable Kerb							*SD 212 Fully-mountable kerb*

Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
A130	**Bluestone Pitcher Kerb and Channel**							
A130.01	Bluestone Kerb and Channel (2 Pitcher Channel)							*SD 206 Bluestone pitcher kerb and channel*
A130.02	Bluestone Kerb and Channel (3 Pitcher Channel)							*SD 208 Bluestone pitcher kerb and channel (3-pitcher)*
A130.03	Bluestone Pitcher Channel							*SD 207 Bluestone pitcher channel*
A130.04	Bluestone Pitcher Semi Mountable Kerb							*SD 214 Bluestone pitcher semi-mountable kerb*
A130.05	Bluestone Fully Mountable Kerb							*SD 215 Bluestone pitcher fully-mountable kerb*
A130.06	Bluestone Edge Strip							*SD 217 Bluestone pitcher edge strip*
A130.07	Bluestone Barrier Kerb							*SD 213 Bluestone pitcher barrier kerb*
A130.08	Sawn Bluestone Kerb and Channel							
A130.09	Sawn Bluestone Overflow Kerb							
A131	**Steel Kerb and Channel**							
A131.01	Steel kerb and channel							
A140	**Drainage**							
A140.01	Junction Pit							*SD 110, SD 110A Junction pit*
A140.02	Side Entry Pit							*SD 121 Side entry pit (for type B k&c)*
A140.03	Side Entry Pit (2.0m inlet)							*SD 118 Side entry pit (for type B k&c) – 2 m inlet*
A140.04	Side Entry Pit Chute							*SD 116 Side entry pit chute*
A140.05	Side Entry Grated Pit							*SD 122 Side entry grated pit (for type B k&c), SD 127 Side entry grated pit - 0.9m inlet*
A140.06	Grated Pit for Dish Channel							*SD 124 Grated pit for dish channel*
A140.07	Grated Pit (600x900)							*SD 125 Grated pit (600x900)*
A140.08	Grated Pit							*SD 126 Grated pit (900x900)*
A140.09	Spoon Drain Pit							*SD 115 Spoon drain pit*
A140.10	Grated Pit for Vehicle Crossing							*SD 123 Conversion of SEP into GP for new vehicle crossing*
A140.11	Mild Steel Step Iron							*SD 190 Mild steel step iron*
A140.12	Drain – Bedding and Backfill Requirements							*SD 131 Drain – Bedding and backfill requirements*
A140.13	Pipe Connection to Existing Main Pipe							*SD 152 Pipe connection to existing main pipe*
A140.14	Pipe Anchor Block							*SD 132 Pipe anchor block*
A140.15	Subsurface AG Drain							*SD 130 Subsurface (a.g.) drain*
A140.16	Property Drain Connection Details							*SD 150 House drain connection details*
A140.17	Property Inlet for Easement Drain							*SD 151 Property inlet for easement drain*
A140.18	Service Pit Lid - Composite Plastic							
A140.19	Service Pit Lid - Infill Pavers							
A140.20	Stormwater Drain for Footpath							
A 150	**Pram Crossings**							
A150.01	Pram Crossing in Bluestone Pavement for Sawn Bluestone Kerb and Channel							
A150.02	Pram Crossing in Asphalt for Sawn Bluestone Kerb and Channel							
A150.03	Pram Crossing for Pitcher Bluestone Kerb and Channel							*SD 270 Pram crossing for bluestone pitcher k&c*
A150.04	Pram Crossing in Concrete							*SD 260 Concrete pram crossing*
A150.05	Mid-block Pram Crossing in Concrete							*SD 271 Mid block concrete pram crossing*

Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
A160	**Pedestrian Threshold Crossing**							
A160.01	Pedestrian Threshold Crossing with Concrete							*SD 273 Typical threshold treatment*
A160.02	Pedestrian Threshold Crossing with Stamped Concrete							
A160.03	Pedestrian Threshold Crossing with Bluestone Pitcher Ramp							
A170	**Vehicle Crossing**							
A170.01	Vehicle Crossing in Concrete Type 1							*SD 262 Type 1 r.c vehicle crossing (k&c type B & SM2)*
A170.02	Vehicle Crossing in Concrete Type 1 Reverse Fall							*SD 263 Type 1 r.c vehicle crossing (k&c type B & SM2) – Reverse fall*
A170.03	Vehicle Crossing in Concrete Type 2							*SD 265 Type 2 r.c vehicle crossing (k&c type B & SM2)*
A170.04	Vehicle Crossing in Concrete Type 2 Reverse Fall							*SD 266 Type 2 r.c vehicle crossing (k&c type B & SM2) – Reverse fall*
A170.05	Vehicle Crossing in Concrete Type 3							*SD 267 Type 3 r.c vehicle crossing (k&c type M & SM2M)*
A170.06	Vehicle Crossing in Concrete Type 3 Reverse Fall							*SD 268 Type 3 r.c vehicle crossing (k&c type M & SM2M) – Reverse fall*
A170.07	Vehicle Crossing in Asphalt for Pitcher Bluestone Kerb and Channel							*SD 264 Asphalt vehicle crossing (bluestone k&c)*
A170.08	Vehicle Crossing in Concrete with Box Culvert Grate							*SD 272 Alternative / Box culvert vehicle crossings*
A170.09	Vehicle Crossing in Concrete with Bluestone pitcher channel							*SD 269 Details of bluestone pitcher channel for r.c. vehicle crossing*
A170.10	Vehicle Crossing in Bluestone pavement for Sawn Bluestone Kerb and Channel							
A170.11	Vehicle Crossing in Asphalt for Sawn Bluestone Kerb and Channel							
A170.12	Vehicle Crossing with Charcoal Concrete Layback and Bluestone Pitcher Kerb & Channel							
A 180	**Road Hump**							
A180.01	Road Hump – Watt Profile							*SD 300 Road hump –Watt profile*
A180.02	Road Hump – Sinusoidal							*SD 301 Road hump – Sinusoidal*
A180.03	Road Hump – Flat Top							*SD 302 Road hump - Flat top*
A180.04	Road Hump – Linemarking and Signs							*SD 303 Road hump – Pavement markings and signs*
A180.05	Road Hump with Pitcher Bluestone Strip Ramps							
A 200	**Miscellaneous**							
A200.01	Conduits Under Pavement							*SD 133 Conduits under pavement*
A200.02	Concrete Pavement Joints							*SD 291 Concrete pavement joints*
A200.03	Sleeve for Sign Post							*SD 400 Detail of sleeve for sign post*
A200.04	TGSI Granite Studs within Bluestone Base							
A200.05	TGSI Stainless Steel							
A200.06	TGSI Integrated Stainless Steel and Plastic							
A200.07	TGSI Plastic Studs							

PART B - Street & Park Furniture								
Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
B110	**Layout**							
B110.01	Typical Furniture Layout for Streets							
B110.02	Typical Furniture Layout for Parks							
B120	**Seats**							
B120.01	Standard Seat							
B120.02	Standard Bench							
B120.03	Cafe Table and Stools							
B120.04	Park Seat							
B120.05	Park Bench							
B120.06	Picnic Table							
B120.07	Glenroy Seat							
B130	**Bicycle Furniture**							
B130.01	Standard Bike Hoop							*SD 403 Bicycle parking rail*
B130.02	Slim Bike Hoop							
B130.03	Pole-mounted Bike Hoop							
B130.04	Coil Bike Rack							
B140	**Bins**							
B140.01	Standard Bin Surround							
B140.02	Recycling Bin Surround							
B140.03	Parks Bin Surrounds							
B140.04	Bin stands							

Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
B150	**Bollards/Fences**							
B150.01	Civic Space Bollards							
B150.02	Bicycle Path Bollard							
B150.03	Park Bollard							*SD 402 Cypress pine bollard*
B150.04	Park Fence							
B150.05	Park Rail							
B160	**Lighting**							
B160.01	Park Lighting							
B160.02	Sydney Road Lighting							
B160.03	Coburg Civic Space Lighting							
B160.04	Coburg Street Lighting							
B160.05	Solar lighting wall-mounted							
B160.06	Multi-functional pole							
B160.07	Bicycle Path Lighting							
B160.08	Council Car Park Lighting							
B170	**Drinking Fountain**							
B170.01	Drinking Fountain for Civic Spaces							
B170.02	Drinking Fountain for Parks							
B200	**Miscellaneous**							
B200.01	Pavement Markers for Outdoor Dining							
B200.02	In-ground Socket & Sleeve for Umbrella							
B200.03	Bus Shelter							

PART C - Landscaping								
Number	Type	General	Park	Centres				*Council Standard Drawing*
				Coburg	Brunswick	Glenroy	SSRP	
C100	**Planting**							
C100.01	Advanced Tree Specification							
C100.02	Standard Turf Specification							
C100.03	Tree Planting in Footpath Cut Out							*SD 412 Advanced Tree Planting in Pavement / Footpath Cut Out*
C100.04	Tree Planting in Grassed Nature Strip							*SD 410 Advanced tree planting in grassed nature strip*
C100.05	Tree Planting in Island							*SD 411 Advanced tree planting in island*
C100.06	Tree Pit with Grate Cover							
C100.07	Tree Pit with In-situ Poured Porous Paving							
C100.08	Planting Frame for Climbers							
C100.09	Garden Bed Planting							*SD 413 Garden Bed Planting*
C120	**WSUD**							
C120.01	Raingarden Carpark Configuration							
C120.02	Raingarden Kerb Outstand Configuration							
C120.03	Raingarden Nature Strip Configuration							
C120.04	Raingarden Corner Configuration							
C120.05	Raingarden Sloping Configuration							
C120.06	Raingarden Edge Treatment Materials							
C120.07	Raingarden Safety Measures							
C120.08	Raingarden Fencing							
C120.09	Raingarden Inlet Options							
C120.10	Raingarden Outlet Options							
C120.11	Raingarden Standard Cross-section							
C120.12	and Flushing Point							
C120.13	Raingarden Landscaping Option							
C200	**Raingarden Tree Pit**							
C200.01	Park BBQ							
C200.02	Park Shelter							
C200.03	Landscaping edges							*SD 216 Reinforced concrete edge strip*
