Moreland City Council

Exuding historical charm and personality, the recently refurbished Brunswick Town Hall will captivate.

The easily accessible venue has been a centre of activity within the north west of Melbourne for many years. It features polished wooden floors, atmospheric lighting, an enclosed courtyard with glass dome roof, sound system and an industrial kitchen. This versatile hall has proven to be an ideal venue for many occasions including:

- Dinner dances
- Meetings and seminars
- Festivals and exhibitions
- Concerts and theatre performances
- Weddings, engagements and birthdays

*Main hall*

The main hall is able to seat 200 people theatre style, or 180 people on round tables. The tables and chairs can be set up as required for the occasion and a friendly and skilled staff member will be available to assist during your event.

The atrium adjoining the town hall is able to accommodate 60 people seated on round tables, or 100 people for a cocktail affair. The natural plant life, glass roof and fairy lights provide the perfect atmosphere for cocktail events and celebrations.

The main hall, atrium and industrial kitchen can each be hired separately, and are available for hire every day of the year.
