

Storytime

Preschool Storytime sessions are held weekly* at all libraries. Sessions include stories, songs, rhymes and a simple craft activity.

Storytime is FREE and suitable for preschool children. Each session lasts approximately 45 minutes. Bookings are not necessary.

What storytime can do for your child:

- Introduce your child to a wide selection of books and stories
- Help develop language and listening skills
- Provide an opportunity for your child to socialise with other children
- Encourage a life-long interest in reading, books and libraries

Brunswick Library

Thursday
at 11.30 am
