## **Nineteen minutes**

Jodi Picoult

An ordinary American town has its complacency shattered by a shocking act of violence. In the aftermath, the town's residents must not only seek justice in order to begin healing but also come to terms with the role they played in the tragedy.

Strangely prescient, *Nineteen Minutes* asks simple questions that have no easy answers: Can your own child become a mystery to you? What does it mean to be different in our society?

Crais, Robert

Mayes, Andrea

Dutiful corporate wife Cassie Callinan has survived the tragedy of losing a child with her marriage in tact, or so she thinks. When she discovers she has lost her husband to another woman she panics. Where is she supposed to go? What is she supposed to do?

Hill, Reginald

## **The death of Dalziel**
