Upfield Path Upgrade - Albert St to Wilkinson Street	Upgrade Shared Path	Widen existing shared path and install lighting		Bike Riders, Pedestrians	VicRoads	Proposed	Construct										
Upfield Path Upgrade - Park St - Brunswick Road	Upgrade Shared Path	Widen existing shared path and install lighting		Bike Riders, Pedestrians	VicRoads	Proposed	Construct										
Cumberland Road - Kent Rd to O'Hea St	Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane	Provides a protected cycling facility on an arterial road. Part of a proposed cycling link between Coburg and Glenroy.	Bike Riders	VicRoads	Proposed	Construct										
Primula Bvd Shared Path (north of Adelaide Bvd)	New Shared Path	Widen existing footpath to a shared path	Improve walking and cycling	Bike Riders, Pedestrians	Moreland Council	Proposed		Construct									
Stewart Street footpath widening (Nicholson St to Ryan St)	New footpath	New footpath on the southern side	Improve walking	Pedestrians	Moreland Council	Proposed	Design	Construct									
West Brunswick Shimmy	Intersection upgrade, Bicycle Wayfinding	New Shimmy - near Brunswick NW PS and Shore Reserve		Bike Riders	Moreland Council	Proposed	Design	Construct									
Augustine - Belair Shimmy	Bridge and access paths	Include physically separated shared path lanes on a replacement ARTC rail - Augustine - Belair bridge.	Links Western Ring Road Trail (at Langton Av) to Glenroy Activity Centre via Glenroy West. Connects to existing Shimmy route to Broadmeadows activity Centre	Bike Riders	ARTC	Proposed		Construct									
Glenroy West Shimmy	Bicycle Wayfinding	Provide direction information for bike riders heading between Glenroy Activity Centre and Moonee Ponds Creek Trail via Kingsford Smith Reserve Switchback	Links Kingsford Smith Reserve Switchback to rest of Moreland Cycling network	Bike Riders	Moreland Council	Proposed		Construct									
Craigieburn Express - Bothwell to Gaffney	New Shared Path	Off street shared path adjacent to Craigieburn Railway.	Connects existing Craigieburn Express route segments to create a continuous path from Moonee Ponds Creek Trail at Bell St overpass to Barina St Oak Park.	Bike Riders, Pedestrians	Moreland Council	Proposed	Obtain Construction Consent	Construct									
Merri Trail - Sumner Park to Capital City Trail Flood Mitigation	Bridge and access paths	Alternative Merri Creek Trail alignment to manage flood risks and soil deposition		Bike Riders, Pedestrians	Unknown (DOT, Moreland, Darebin, Yarra)	Proposed		Coalition building	Design	Obtain Construction Consent	Obtain Construction Consent	Construct					
Fawkner E-W Shimmy	Intersection upgrade, Bicycle Wayfinding	New shimmy - Fawkner - Moomba Park to Charles Mutton		Bike Riders	Moreland Council	Proposed		Design	Construct								
Craigieburn Express - Glenroy Rd to Barina	New Shared Path	Off street shared path adjacent to Craigieburn Railway.	Links existing Craigieburn Express path to the Glenroy Activity Centre	Bike Riders, Pedestrians	LRXA	Proposed			Design	Obtain Construction Consent	Construct						
Craigieburn Express - Western Ring Rd Trail to Glenroy Rd	New Shared Path	Shared path from	Links the Glenroy Activity Centre to the Western Ring Road Shared Path.	Bike Riders, Pedestrians	Unknown (Moreland Council OR LRXA)	Proposed					Design	Obtain Construction Consent	Construct				
Safer right turn Park St to Royal Pde	Advocacy Campaign			Bike Riders	Unknown (Moreland Council, VicRoads)	Proposed			Design	Construct							
Glenroy Rd Shared Path Cardinal rd to West St	New Shared Path	Upgrade Footpath 860m to shared path standard on Glenroy Rd between Cardinal Rd and West St	Creates an attractive route to Glenroy High School, West Street Shop and Glenroy Skate Park	Bike Riders, Pedestrians	Moreland Council	Proposed			Design	Construct							
Traffic Signals Gaffney - Sussex	Intersection Upgrade	Remove existing roundabout, reconstruct as traffic signal controlled intersection with bicycle lanes.	Creates safer access to Coburg North Coles shopping precinct	Bike Riders, Pedestrians	VicRoads	Proposed			Construct								
Upfield Shared Path - Merlynston Station Upgrade	New Shared Path	Upgrade upfield shared path as part of State Govt project to upgrade Merlynston Station Car park	Moves Upfield route off Bain Street to create separated shared path	Bike Riders, Pedestrians	PTV	Proposed			Construct								
DeCarle Shimmy and LATM	LATM, Intersection upgrade, Bicycle Wayfinding	Install partial road closure for motorised traffic - bicycles excepted - on DeCarle St. Shimmy treatments DeCarle, Edward, Ewing, Park St	Part of LATM to encourage motor traffic to use Sydney Rd or Lygon St in preference to local roads. Creates a link between Albion St Off Street shared path and Capital City Trail. Provides an alternative north-south route to riding on Sydney Road.	Bike Riders	Moreland Council	Proposed			Design, Obtain Construction Consent	Construct							

Project	Type	Description	Effect on Network	Beneficiary	Project manager Responsible for Delivery	Current Status	2019_20 Deliverable	2020_21 Deliverable	2021_22 Deliverable	2022_23 Deliverable	2023_24 Deliverable	2024_25 Deliverable	2025_26 Deliverable	2026_27 Deliverable	2027_28 Deliverable	2028_29 Deliverable	2029_30 Deliverable
Rhodes Pde / Pascoe St - Cardinal Pde to Cardinal Rd	New Shared Path	Construct Off street shared path along southern boundary of Northern Golf Course, Widen Footpath Pascoe St (Northumberland Rd to Cardinal Rd) to Shared Path Standard.	Part of Coburg to Glenroy Link. Creates an off road shared path link between Westbreen Primary School to Glenroy Central	Bike Riders, Pedestrians	Moreland Council	Proposed			Design, Obtain Construction Consent	Construct							
Footpath - Urquhart St (Elm Grove to Sydney Rd) North Side	New Footpath	Reconfigure car parking to create space, reconstruct kerb and channel, Construct a footpath near bluestone prison walls on north side of Urquhart St.		Pedestrians	Unknown (Developer, Moreland Council)	Proposed			Construct								
Install Easy Access Tram Stops' - Tram Route 58	Accessible Tram Stops	Super stops' on Grantham St, Dawson St and Melville Rd		Public Transport Users	Yarra Trams	Proposed			Construct								
Footpath - Pentridge Blvd (Camp Rd to Wardens Walk) North side	New Footpath	Construct a footpath near bluestone prison walls on north side of Pentridge Blvd		Pedestrians	Unknown (Developer, Moreland Council)	Proposed				Construct							
Coburg EW Route (Munro - Harding - Princes - Reynolds - Reynard)	Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane	Links Essendon, Pascoe Vale South, Coburg Activity Centre and Thornbury.	Bike Riders	Moreland Council	Proposed				Design	Construct						
Coonans Hills Protected Lanes	Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane	Links O'Hea Street to Moonee Ponds Creek Trail via Pascoe Vale. Provides alternative north south route to Melville Road	Bike Riders	Moreland Council	Proposed					Design	Construct					
Fawkner N-S Shimmy	Intersection upgrade, Bicycle Wayfinding	New Shimmy - Fawkner.	Links Moomba Park, Fawkner Secondary, Fawkner Leisure, Fawkner PS	Bike Riders	Moreland Council	Proposed					Design	Construct					
Hadfield N-S Shimmy	Intersection upgrade, Bicycle Wayfinding	New Shimmy - Hadfield		Bike Riders	Moreland Council	Proposed					Design	Construct					
Victoria St Brunswick	Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane		Bike Riders	Moreland Council	Proposed					Design	Construct					
Ewing St Brunswick Rd - Pedestrian Crossing Capacity Upgrade	Intersection Upgrade	Construct a larger pedestrian holding area Brunswick Rd median and alter signal sequence on to support additional bike and ped north - south movements	Supports greater use of the DeCarle Ewing Route. Improves walking route access to Princes Hill PS and Princes Hill HS	Bike Riders	Unknown (Moreland Council, VicRoads)	Proposed						Design	Construct				
Lygon St (Brunswick Rd to Capital City Trail)	Intersection Upgrade, Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane, Reconfigure Capital City Trail intersection at Lygon St to deal with turning movements, and projected bike / ped volumes continuing on CCT	Addresses safety black spot and bottleneck on network.	Bike Riders	Unknown (Moreland Council, VicRoads)	Proposed						Design	Construct				
Oak Park Pool Link - Moonee Ponds Creek Trail@Margaret St to Pascoe Vale Rd@ Douglas St PedOps	New Shared Path	Construct a shared path across Oak Park Reserve Linking Moonee Ponds Creek trail and Pascoe Vale Rd via Oak Park Pool. Widen Footpath Pascoe Vale Rd (PedOps to Douglas Pde) East side, Shimmy line marking on Douglas Pde to Craigieburn Express	Creates additional access routes to Oak Park Pool.	Bike Riders, Pedestrians	Moreland Council	Proposed						Design	Construct				
Hilton St (East St to May St)	Protected On-Road Bike Lanes or Shared Path	Install barrier treatments between car and bike lane		Bike Riders	Moreland Council	Proposed						Design	Construct				
Blyth St (Sydney Rd to Merri Creek Trail)	Protected On-Road Bike Lanes	Install barrier treatments between car and bike lane		Bike Riders	Moreland Council	Proposed							Design	Construct			
KD Joyce Reserve E-W Path	New Shared Path	Construct new shared path across KD Joyce Reserve linking Kent St and Northumberland Rd	Part of the Coburg - Glenroy Link	Bike Riders	Moreland Council	Proposed							Design	Construct
