

Pedestrian Threshold Crossing with Pre-cast Concrete A160.05

DESIGN STATEMENT

Pedestrian threshold crossing with concrete top provides better accessibility and safety for pedestrians to cross. The crossing prioritises pedestrian movement and improves the civic feel of the area.

Pre-cast concrete pedestrian threshold crossing has been installed at Pascoe Vale Road, Glenroy. The high-quality graphic design embedded onto the precast reinforces Glenroy's local identity.

APPLICABLE LOCATION

Glenroy Activity Centre: Pascoe Vale Road between Gladstone Parade and Finchley Avenue.

COUNCIL STANDARD DRAWING

N/A

CROSS REFERENCE DOCUMENT

- Glenroy Activity Centre Streetscape Masterplan

STANDARD SPECIFICATION
