

# Park Bin Surround B140.03

## DESIGN STATEMENT

The selected bin surround has been custom designed for Moreland and features 'Enviroslat' battens in a metallic silver body. It has a wider opening for ease of use by park patrons while still limiting inappropriately large items being deposited. The hinged opening has a durable catch and locking mechanism.

## APPLICABLE LOCATION

Premier parks including Coburg Lake, Harmony Park in Coburg and certain large district parks. Bin surrounds are generally not installed in local parks.
